

GST in New Zealand 2020 Edition

GST in New Zealand 2020 Edition is the fourth annual updated edition of this significant work designed to provide readers with in-depth commentary and practical advice and application of the law of GST in New Zealand.

With the guidance of General Editors the late Judge Paul Barber and Professor John Prebble, the authors have written a book that is an invaluable source of information for:

- (1) specialist and non-specialist lawyers, accountants and tax professionals whose practices require them to deal with this complex and constantly changing area of the law; and
- (2) law, accounting and business students and their teachers who need an authoritative teaching and learning resource.

It will also be most helpful to those interested in any aspect of GST.
